Donnie was a member of Ice Capades from
1942-1948 and Ice Cycles from 1949-1950. She
met James W. Harkins, Sr. (skater in 1940-41
productions; later Assistant to President John Harris) in the show and married him
in December 1948. She stopped skating when Jim, Jr. was born, but continued to
travel with the show with her family (now including daughter Carol Ann). In 1955
they decided to settle down in the San Fernando Valley, where youngest daughter
Colleen was born nearly ten years later. Donnie is survived by her three children
and four grandchildren.
