

Jeanne Maxfield - 6/13/11

I am sad to report my ex-wife Jeanne passed away yesterday in Oregon after a long bout with lung cancer. Before we were married a lot of you may have known her as Jeanne Maxfield of the adagio team "The Maxfields", they toured IC for some 13 years. We had a daughter, Kimberly who skated in IC then went on to follow in her mom's footsteps doing adagio with her partner from France. They skated a number of shows in Europe and Asia, she then met and married her husband Peter Worsnop and had twin girls, MacKenzie, who is an up and coming tennis star, and Madison who is pursuing competitive figure skating they live in their home in Newport Beach, Ca. Jeanne will be deeply missed may she R.I.P.
