

Dear friends

Please forgive me for being the bearer of bad news. We lost our dear friend Nick Sherlock at 1:30pm today, 5/20/2012. Don and Noel Watson, Nicky Powers and I were with him when he passed. Some of you may not know that Nick Sherlock moved to Vegas in the fall of 2010. He bought a house and just had a pool put in but did not get to use it. Last Halloween he was taken to the emergency for a fractured hip. The hip was replaced and he was doing well in rehab. Four days later he was back in emergency and in critical condition. He had a collapsed lung and a burst colon. He almost died that night with septicemia. He spent the next six and a half months in hospital, 95% of it in ICU and on a ventilator. He started going downhill in the last month and his body could not fight any longer. You can send your emails to me so that I can share them with people that helped with hospital visits such as Terry and Gisela, Don and Noel, George Verbiwski, Germaine Desjardins, Dorit Cherkas, Jim Norman and Nicky Powers. Nick's dear friend Jim Alvarez took care of the finances while he was in Hospital. Mike and Barbara O'Gara sent money so that I could keep the nursing staff well fed. Mike had so many masses said for Nick's recovery but I guess the good Lord had other plans. It seems there were several angels that needed their wings repaired & God knew that Nick was the best man for the job.

Love Gerty
